## SPRINGING INTO ACTION

Spring is here, bringing a season of renewal and fresh opportunities to serve our community! We are so grateful for each and every one of you who dedicate your time, talents, resources and prayers to making a difference in South Lincoln County. Your efforts are appreciated, and truly making an impact!

## SPOTLIGHT ON SERVICE

Each quarter, we want to recognize individuals, businesses, and organizations who have gone above and beyond in their service. This quarter, we celebrate Todd & Shawna Dotson for their incredible dedication to the Connection Center, as well as our New Heights program! Thank you for being a shining light in our community and showing what transformation through Jesus looks like.

We also want to recognize His United Body (HUB) who continually pray for all of Lincoln County, including the ministry of Love INC. HUB exemplifies unity in the Body of Christ. We appreciate their fervor and dedication to seeking Christ for true transformation in our community.

"The Gianforte Family Foundation supports organizations that equip Montanans to sustainably improve their lives, strengthen their relationships, and find hope." Even before Love INC opened the Connection Center, the Gianforte Family Foundation has been supporting Love INC with grants and strategic trainings. They have celebrated with us when we reached sustainability, and offered encouragement along the way. If you believe your church or ministry shares the values of the Gianforte Family Foundation, and would benefit from a partnership, please visit their website. We are grateful for the support we have received from this amazing foundation.
